DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

(1) Larry R. Swaney (3) _____
(2) David Fox (4) _____

Date of interview 1/6/92

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☒ Yes ☐ No. If yes, brief description: copy of draft of proposed amendment after final

Agreement ☒ was reached with respect to some or all of the claims in question. ☐ was not reached.

Claims discussed: 4, 7, 10, 13, proposed claims 19-24

Identification of prior art discussed: None

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner indicated that amendments to claims 4, 7, 10, 13 would resolve 112 2nd problems. Examiner indicated that proposed claims 19-22 raised new issues of patentability. Claims 23-24 also changed scope of originally presented claims; Examiner indicated that basis in spec needs to be clearly pointed out. No commitment to patentability made.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
